Dear Hiring Manager committed,

I am Hugo ChunHo Lin. I am writing to express my interest in the "**Machine Learning Intern Program**" at your company. As a highly motivated and adaptable individual, I believe that my skills and experiences make me a strong fit for this role.

As a third-year student majoring in *Atmospheric Sciences* and also pursuing second major in *Computer Science* at National Central University. With this academic career, I have gained a solid foundation in **Data Science, Computer Science, and Programming Languages such as "Python, c/c++, Java, etc."** I have also completed the coursework in **Machine Learning, Neural Networks, Data Structure, Algorithmics, etc.** Additionally, I have participated in two Machine Learning projects, the first one, I used *Random Forest* to analyze and predict the percentage of rainfall, and another I used *CNN* to distinguish the handwriting number. This made me get used to the tools with Machine Learning such as "**Keras, Tensorflow, Numpy, Pandas, etc.**"

With the extracurricular activities, I am currently the **TAs in the course "Freshman English"**, which allows me to continually improve my English language skills. I have also work as "**Website Administrator**" to manage the data in website, and server maintenance. In particular, I have been the member of **@NCUFresh Team**, which responsible for providing information to incoming freshmen, and our main objective was to develop a website to present the details. In this progress, it's the first time I learn about large-scale projects management and tasks delegation, which was also the period when I made the most significant progress in improving my Computer Science skills.

Therefore, with above of essential experiences, I am excited to apply my skills and knowledge to **World-Class projects** with brief confidence. As an intern, I am eager to learn from *experienced professionals, work collaboratively with team members, and contribute ideas to meaningful projects*. I am a self-discipline, quick learner, detail-oriented person, and can work effectively under pressure.

Thank you for considering my application. I would be honored to have the opportunity to discuss my qualifications further and learn more about the position.

Kind Regards,

Hugo ChunHo Lin
